Vientiane, Laos

Scope

OVERVIEW OF DRUG SITUATION IN MALAYSIA

MEASURES ON DRUG CONTROL IN MALAYSIA

OVERVIEW OF THE DRUG LAW AND LEGISLATION

SUPPLY REDUCTION ISSUES & INITIATIVES

DEMAND REDUCTION : PREVENTION, TREATMENT & REHABILITATION

OVERVIEW

MALAYSIA PRESENT DRUG THREAT

There are no signs that the regional drug production will ease. Regional drug situation are still remain unfavourable with the traditional drugs (heroin and marijuana) and methamphetamine production continue to soar.

OVERVIEW MALAYSIA DRUG POLICY AND STRATEGY

DRUG LEGISLATION

Malaysia's drug laws are found in six (6) major statutes.

They are:

- ❖ The Dangerous Drugs Act 1952;
- ❖ The Poisons Act 1952;
- ❖ The Drug Dependents (Treatment and Rehabilitation) Act 1983;
- ❖ The Dangerous Drugs (Special Preventive Measures) Act 1985; and
- ❖ The Dangerous Drugs (Forfeiture of Property) Act 1988

OVERVIEW OF THE DRUG LAW AND LEGISLATION

NATIONAL DRUG CONTROL STRATEGY

The Cabinet Committee on the Eradication of Drugs was established in 2004 in accordance with Prime Minister's Directive No 1.

The three (3) Sub-committees currently focus on the core areas are:

- ❖ Prevention Education and Publicity – chaired by the Minister of Communication and Multimedia
- ❖ Law Enforcement – chaired by the Minister of Home Affairs.
- ❖ Treatment and Rehabilitation – chaired by the Minister of Health

WHY MALAYSIA WAS CHOSEN AS A TRANSIT COUNTRY

1. The high price of drugs
2. Geographical factor
3. Modern infrastructure
4. Present existing syndicates
5. National liberalization policy

KRATOM

ARRESTED

YEAR		2011	2012	2013	2014 (JAN-MAC)
KETUM LEAVES (MITRAGYNINE)	KG	2,881.51	5,218.14	7,866.30	2,689.36
KETUM DRINKS (MITRAGYNINE)	LITER	89,967.32	34,719.56	36,865.02	13,603.31

ISSUES IN DRUG SUPPLY REDUCTION

- Drug Production in Afghanistan unabated
- Increasing Synthetic Drugs from the “Golden Triangle”
- Entry of West African Syndicates
- Exploitation of Trade (air routes, containers, use of drug mules, courier & parcel services)
- Shift to production In Kitchen Labs

New Initiatives in Malaysia

- STING Team(Special Tactical Intelligence Narcotics Taskforce) focus on drug Syndicates, Kingpins & high value Targets

- Offer treatment and rehabilitation in the community settings
- 2,011 clients (residential) (2013) received the treatment in 56 CCSC
- 114,454 clients had received treatment at 76 CCH.

PREVENTIVE MEASURES

STRATEGY

AIMS

PREVENTIVE MEASURES

DRUG PREVENTION PROGRAMMES

The activities carried out in 2013 fall into these broad categories:

1. Drug Free Family
2. Drug Free Education
3. Drug Free Workplaces
4. Drug Free Community
5. Public awareness
6. Anti-drug Volunteers

PREVENTION PROGRAMMES

Drug Free Family

- Family on Alert

Drug Free Learning Institutions

- SHIELDS
- Tomorrow's Leader

Drug Free Workplace

- Drug Free Workplaces

THE LAST MALAYSIA PARLIAMENTARY SITTING ON 29 APRIL 2014

We have discussed on:

1. To further enhance tougher Drug Law on Kratom and to be listed under the DDA 1952;
2. Increase of Youth involved in drugs;
3. New Psychoactive Substances in the market.

CONCLUSION

1. To improve its machinery to combat the threat of drugs which is still considered a security problems;
2. Close interagency cooperation between all agencies in Malaysia;
3. Strengthening cooperation with its neighbouring countries;
4. Malaysia will continue to cooperate with the international drug control, law enforcement and international organizations to stem illicit trafficking of drugs;
5. Draft resolution on strengthening legal cooperation among parliaments in realizing a Drug Free ASEAN

Thank you
